

Open wide the door to morning, take love as you depart; walk gently on this earth, with kindness in your heart.

Outdoor tent/fort

As weather warms consider making more outdoor play spaces. You can try and use natural materials, or sheets/blankets with more sturdy string for a tent-like feel. It could be an animal cave, or a wizards hovel. Let the space transform!

(Maitreya enjoying the sun!)

Flower Wands

Let your child gather a few different types of flowers or weeds and wrap them to a stick.

Attach streamers for a wand or see how they work as a paintbrush with paints!

Landon with a
dandelion crown!
