“The bleeding hearts were blossomed out like little valentines, and the baby buds were on the honeysuckle vines; the pansies and the violets smiled greeting upon the day, to find an adventure and sing along the way”

Spring is in full bloom! What have you noticed new blooming in your neighborhood? The tulips we plants in the fall are glorious under our little apple tree!

Baking

Linked is a recipe for
vegan conchas!

Yummmm. Goes
great with vegan
horchata as well!

There are options for
two different top
flavors, chocolate

and turmeric (pictured below)
