## **About OWS**

Olympia Waldorf School is a private school offering preschool through eighth grade. OWS was incorporated in 1984 and moved to its current site in East Olympia in 1990. Olympia Waldorf School is a non-profit organization that owns the property of its current campus, including "Prairie Hall," a historic building on our state's historical register which was built in 1914, a Middle School constructed in 1999, and a Kinderhaus that opened in 2007. Our beautiful, rural campus is located just 15 minutes from downtown Olympia.
